

Lufthansa
Mobility Partner

At Lufthansa, we understand that patients undergoing medically-necessary or discretionary procedures are now searching globally to find the highest quality, most affordable healthcare available. That is why Lufthansa is proud to partner with internationally accredited healthcare providers and facilitators around the world to provide patients and their travel companions with special prices and services that meet their needs.

Flight booking for international patients:

Once you have booked a medical procedure with the University Medical Center Hamburg-Eppendorf, they will provide you with a code that gives you access to their dedicated online booking platform. To make a reservation, please click on

<https://www.lufthansa.com/xx/en/Mobility-Partner-Program-Healthcare> (English)

<https://www.lufthansa.com/ru/ru/Mobility-Partner-Program-Healthcare> (Russian)

and enter the access code in the "Access to Event Booking" area. This will open an online booking platform that will automatically calculate the discount offered or provide you with an even better offer if another promotional fare is available.

Advantages of the Global Healthcare Mobility Partner Program for international patients:

- You and your travel companion receive reduced fares together with special conditions in Economy, Business or First Class
- You have the flexibility to mix your class of travel according to your comfort needs – for example, you can travel in Business Class in one direction and Economy Class in the other direction
- You can rest assured that, if you need to change your travel plans for medical reasons, this can be done without any additional charges
- You have the option of booking these special fares online, quickly and easily
- You can earn valuable miles with Miles & More or the bonus program of our partner airlines
- You can enjoy Lufthansa's excellent service and the best possible connections to over 200 international destinations in nearly 80 countries thanks to our global network

Special services for travellers with special needs:

For travellers with reduced mobility or other health concerns, please inform yourself about additional services that are available to you to help to ensure that you have a comfortable and safe flight
